**SUBMISSION OF DECLARATION**

Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

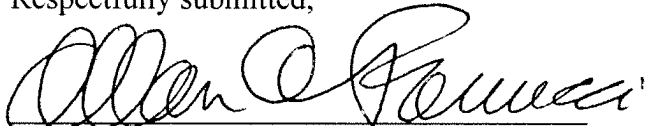

Sir:

Further to Applicants' response to the office action dated June 3, 2008, Applicants submit herewith a new Declaration of the inventors which properly identifies the specification with the international application number and the international filing date. The Declaration is not signed by the third inventor as this application already has a granted petition to proceed without him in view of the fact that he is an uncooperative inventor. Please enter this declaration into the file of this application.
